

Financial Subsidies Now Available for U.S. Virgin Island Businesses

We are **Restoring Futures** through a \$4.9 million grant awarded by the U.S. Department of Labor! ICF (www.icf.com) is offering all U.S. Virgin Island employers a way to rebuild your business and grow your workforce---and it's all available right now.

If you have potential employees who require on-the-job training to be successful, ICF can provide reimbursement for a large portion of the trainee's starting salary (75% for small businesses and 50% for large businesses).

Employer reimbursements are made timely and electronically from ICF on a bi-weekly or a monthly basis.

This effort starts immediately and will end September 2020.
