

Disruption by Design: A Leadership Series

Rick Maher
CEO
Adaptive Human Capital

Whether you are an Executive Director, Board Member, Supervisor, or Front-Line Staff, all workforce professionals need to adapt and evolve in order to lead more effectively.

Presented by **Richard D. (“Rick”) Maher**, President & CEO of Adaptive Human Capital and hosted by **Mike Fazio**, CEO of Workforce180, during this workshop series, you will...

- > explore personality factors that shape one’s tendencies in coping with change
- > assess your individual strengths and identify opportunities for personal development
- > explore six critical traits of agile organizations
- > develop skills that will help you lead yourself and others through changing environments
